I understand that if an attorney is appointed to represent me the court will, at the conclusion of criminal proceedings, make a determination of my ability to pay all or a portion of the cost of the attorney. If the court determines that I am able to pay, the court will order me to pay all or part of such cost. Such an order will have the same force and effect as a judgment in a civil action and will be subject to execution.

Entiendo que si me asigna un abogado para que me represente, al concluir las actuaciones penales, el juez determinara mi capacidad para pagar la totalidad o parte del costo por los servicios de abogado. Si el juez determina que estoy en condiciones de pagar, se me ordenara que pague la totalidad o parte de ese costo. Esta orden tendra la misma validez y efecto de una sentencia en una acción civil y estará sujeta a ejecución.
